

Quality Policy

Customer Focused

We aim to:

- Satisfy our customers' needs and expectations
- Make commitments we fully understand and are confident we can meet
- Meet all commitments to customers on time and on budget

Performance Driven

We will:

- Verify that our products and services meet agreed regulatory and customer requirements
- Monitor, benchmark and continuously improve our business, products and services, organisation and employees' performance.

Achieve our Goals

We strive to:

- Develop and sustain strong business growth
- Become involved in emerging and innovative technologies
